Subject: FW: West Lake Landfill OU-1 October 2013 Groundwater Monitoring Report
Attachments: ATT00001.txt

Categories: Yellow Category

John, I posted the report and the Access database file of results to the Environmental Science Connector. Let me know if you do not receive your formatted Excel data from the PRPs in a reasonable timeframe.

Thanks,
Daniel R. Gravatt, PG

Subject: West Lake Landfill OU-1 October 2013 Groundwater Monitoring Report

A PDF file of the text, tables, and figures of the Groundwater Monitoring Report for the October 2013 monitoring event for the West Lake Landfill OU-1 is attached.

The report Appendices are not attached to this email because of their size. The Appendices will be transmitted via WE Transfer - you should receive an email from WE Transfer with instructions and a link regarding downloading the Appendices.

Paper copies are being sent to those indicated on the transmittal letter (pg. 1 of the attached PDF file). A CD containing the Appendices will be included with each paper copy.

Thanks,
Bob Jelinek

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
